Assalam-o-Alaikum.

Islamic Society of East Bay, Fremont, is starting this program with the resources it has and Insha'Allah we will try to improve wherever we can. This is all possible with your dua to Allah Subhanaho-wa-taala and your dedication towards your child. Salsabeel alone cannot do much until the parents are involved with their child and see how they are doing in not only their studies but also their behavior and other activities at the Academy. In this regard please see the teacher at least once a month and get their progress report.
